Mount Pleasant School District Receives Donation

*Labhart Miles Celebrates 10th Anniversary by Donating
to Local Special Education Class at Robert Sander's Elementary*

San Jose, CA (March 03, 2013) - Silicon Valley-based firm Labhart Miles Consulting Group, Inc. presented the Mount Pleasant School District with a \$1,000 check in February that was specifically allocated to a special education class at Robert Sanders Elementary School. This donation was the ninth installment of Labhart Miles' \$10,000 Charity Initiative, which will run through May 2013. A new charity will be selected to receive a gift each month in honor of the firm's 10th anniversary.

"I am very excited to receive this gift," said Cora Pearson, special education teacher at Robert Sanders Elementary School. "It will help me purchase special books as well as some basic necessities for my classroom that I would normally have to pay for on my own. Donations like this help teachers provide students with the best possible supplies to support their education."

Cora's class at Robert Sanders Elementary School is made up of severely handicapped students between the fifth and eighth grade. Their mission is to create an atmosphere of continuous social and academic growth, where personal responsibility, respect and effort are valued in a safe, supportive and motivating environment.

"We're happy that our contribution will benefit the Mount Pleasant School District," said Monika Miles, President of Labhart Miles. "The point of our \$10,000 Charity Initiative is to provide assistance to needy organizations in our community."

Labhart Miles will select charities in a variety of fields, from food banks and soup kitchens to children's organizations. In addition to non-profits that are near and dear to the principals' hearts, they're looking for causes that provide valuable service to the greater community.

About Robert Sanders Elementary School

Robert Sanders Elementary School is situated in a residential community near the east foothills of San Jose. There are 19 classes for students from kindergarten through fifth grade. In addition to the 19 regular education classes they have four Special Day Classes and a County Office of Education Severely Emotionally Disabled class. To learn more, visit <http://rs.mpesd.org>.
